

Rupert's Land AR App:

# LANGUAGE PORTALS

**Open the App → Click on Experiences →**

Make sure your sound is on!

**Choose Language Portals**

From here, hit the START button & select a location to visit

## HEAR MICHIF ACROSS THE HOMELAND!

### Scan a hazard-free walkable space

A school, gym or hallway would be an ideal space

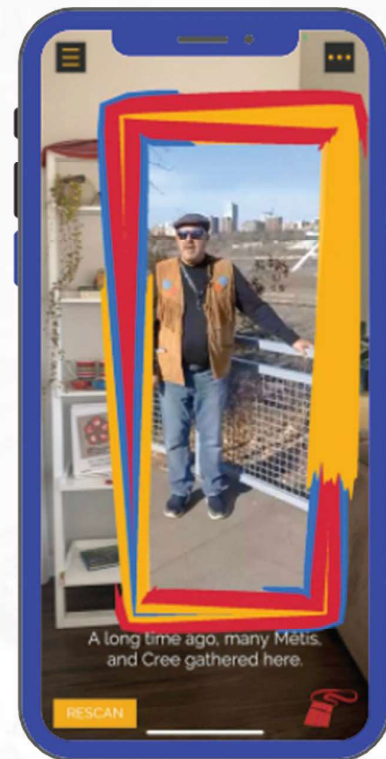

### Tap to place a portal

Once the floor scan has reached 100%, tap the bottom of your device screen, close to where you are standing, to place a portal

### Wait for the portal to load

Hit the RESCAN button if the portal seems to move around

### Walk into the portal to explore the Métis Community Space!

Scan here for Rupert's Land Institute's  
teaching & learning resources
