AMBASSADORS

WANTED

The MAPS Program, **Métis Access to Post-Secondary**, is a Rupertsland Institute initiative to support Métis high school students in Alberta on their journey to Post-Secondary, focusing on the important transition between high school and Post-Secondary or the training needed to meet a student's career goals.

Benefits for Ambassadors

- ▶ Access to Post-Secondary information, application, and funding resources
- ▶ Support from the MAPS team
- ▶ Access to Rupertsland Institute education resources, programs, and opportunities
- ▶ Opportunities to learn more about Métis culture and how to get involved in community events
- ▶ Connection to a unique education community

Benefits for Métis Students

- ▶ Access to Post-Secondary funding resources, application support, scholarship information and much more
- ▶ Access to career related materials and assessments
- ▶ Information about career fairs and Post-Secondary tours
- ▶ Building cultural and community connections to support long term academic success
- ▶ Knowledge on Rupertsland Institute workshops and events

What you bring

- ▶ Educator, Success Coach, or Indigenous Liaison that works with Métis high school students in Alberta
- ▶ Desire to support, encourage, and help Métis students to discover and reach their Post-Secondary goals
